

PUBLIC INFORMATION EVENT 2

Letterkenny Town – Active Travel Projects

Scheme 04 - L1006 Convent Road & Scheme 06 – R229 Kilmacrennan Road

Scheme 06 - R229 Kilmacrennan Road - It is proposed provide a new segregated cycling facility on the west side of the carriageway by removing the existing right turning lane and relocating this road space to the new cycle facility.

Have Your Say!

Both schemes are currently at Phase 4 (Planning) and residents and businesses of the areas, members of the public and interested parties are now invited to participate in the statutory public consultation of both schemes.

The aim of the information event is to inform the public of the preliminary designs and to invite feedback on the proposals. A Public Display of the design proposals will take place in:

**Letterkenny Public Service Centre, Letterkenny,
Co. Donegal, F92 TNY3
on Monday 29th January 2024, between 3pm and 7pm**

Alternatively plans and particulars for these proposed developments area also available for inspection at the following locations:

- Online - <https://consult.donegal.ie/browse> website.
- Letterkenny Public Services Centre, Neil T Blaney Road, Letterkenny, F92 TNY3.
- Donegal County Council, County House, Lifford, F93 Y622.

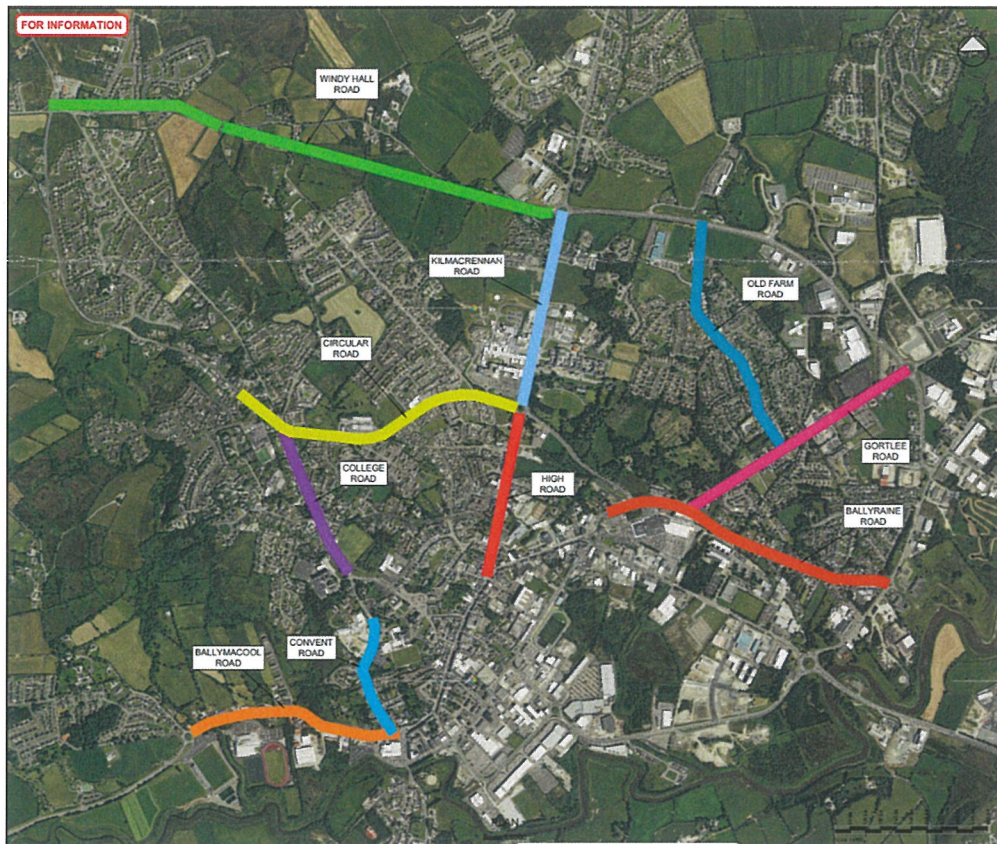

Submissions and observations with respect to the proposed developments may be made in writing to The County Secretariat Office, Donegal County Council, Lifford, County Donegal or emailed to activetravel@donegalcoco.ie before 4.00pm on Friday, 9th February 2024.

PUBLIC INFORMATION EVENT 2

Letterkenny Town – Active Travel Projects

Scheme 04 - L1006 Convent Road & Scheme 06 – R229 Kilmacrennan Road

Donegal County Council is seeking to establish high quality continuous footway and cycleway routes in Letterkenny Town, to promote active travel journeys from residential areas to key education, employment, commercial, recreational, retail and tourist destinations.

Scheme 04 – L-1006 Convent Road – It is proposed provide a new shared walking and cycling facility on the west side of the carriageway by relocating existing road space to the facility.
